Dear President Benevento and Trustees Badillo, Borgioli, Gerard, Porter-Jensen, Ruebusch and Woolf,

My name is PARENTS4POSITIVECHANGE and I have been following the news of the pending recall of MHUSD Board Trustee and President, Bob Benevento.

I support the recall and I intend on signing the recall petition and eventually voting for Trustee Benevento's removal.

The school district has enough things to deal with, besides a special election to have Benevento recalled.

Mr. Benevento, I urge you to resign as a MHUSD Trustee.

The parents of this community understand that you have served many years on committees and boards and organizations, but perhaps your time is up. Education has changed in this world and Morgan Hill needs to face the fact that our schools are not shining stars.

I have read the recall petition and I want to put [REDACTED] education first. 

Mr. Benevento, it time for a change.

Respectfully,
P4PC

IN THE MORGAN HILL TIMES...

Along with all those votes you got in an hour...joke was on me today, good one.

People who say it is costly to have the recall election of Benevento better check their math. There are many parents and I would say **at least 100** of them, who have said they will take their kids out of public schools if the 6th graders are forced to go the middle schools. I heard that each child brings \$8000 per year to the district, so 100 kids leaving= \$ 800,000 in lost tax revenue--and that is \$800,000 per year so getting rid of him is worth at least \$300.000 in the first year and at least \$800,000 in year two. Right? So where do I sign and I will distribute the petitions to my neighbors Let's remove him so he can do something that won't hurt the kids.

In reference to drjohn's response, I am appalled that if this is all true-and I have no reason to doubt these facts- Mr. Robert Benevevto should be fired on the spot and removed from office. He is a **disgrace** to the MHUSD and his attention to his personal agenda and upcoming election make him a **dirty politician** also.

The Superintendent and his majority of trustees must not think we parents are very smart. Let's take a closer look at why 6th grade reconfiguration and San Martin Gwinn were quickly voted on while us parents were on vacation this past summer. Where is Bob Benevento's voting area? San Martin Gwinn area and north. If Bob Benevento wants to run again for office of trustee, and he probably will with the encouragement of the Superintendent, in one vote on August 4th's board meeting, the majority trustees voted to make San Martin Gwinn a K-8 school and in the same vote, the majority trustees voted to send our children to 6th grade in middle schools...Now this is not rocket science, right. The voting population for Bob, love the man, he just made their school a K-8 school, it's what they wanted. It is my opinion, that all of our 6th graders are being moved so Mr. Benevento can get votes and be re-elected. Trust me, this was a thought out and calculated move. All our 6th graders will be moved so one man can benefit from getting votes and get re-elected. Our school district is spiraling downward because people at the top have their own agendas. Think long and hard at this comment, it holds some validity. Recall Bob Benevento✓ so we can get back to what's most important...OUR CHILDREN'S education.

All our 6th graders will be moved so one man can benefit from getting votes and get re-elected. Our school district is spiraling downward because people at the top have their own agendas.

Think long and hard at this comment, it holds some validity.

Recall Bob Benevento✓ so we can get back to what's most important...OUR CHILDREN'S education.

The Superintendent and his majority of trustees must not think we parents are very smart. Let's take a closer look at why 6th grade reconfiguration and San Martin Gwinn were quickly voted on while us parents were on vacation this past summer. Where is Bob Benevento's voting area? San Martin Gwinn area and north. If Bob Benevento wants to run again for office of trustee, and he probably will with the encouragement of the

Superintendent, in one vote on August 4th's board meeting, the majority trustees voted to make San Martin Gwinn a K-8 school and in the same vote, the majority trustees voted to send our children to 6th grade in middle schools...Now this is not rocket science, right. The voting population for Bob, love the man, he just made their school a K-8 school, it's what they wanted. It is my opinion, that all of our 6th graders are being moved so Mr. Benevento can get votes and be re-elected. Trust me, this was a thought out and calculated move. All our 6th graders will be moved so one man can benefit from getting votes and get re-elected. Our school district is spiraling downward because people at the top have their own agendas.

Dear President Benevento and Trustees Badillo, Borgioli, Gerard, Porter-Jensen, Ruebusch and Woolf,

My name is PARENTS4POSITIVECHANGE and I have been following the news of the pending recall of MHUSD Board Trustee and President, Bob Benevento.

I support the recall and I intend on signing the recall petition and eventually voting for Trustee Benevento's removal.

The school district has enough things to deal with, besides a special election to have Benevento recalled.

Mr. Benevento, I urge you to resign as a MHUSD Trustee.

The parents of this community understand that you have served many years on committees and boards and organizations, but perhaps your time is up. Education has changed in this world and Morgan Hill needs to face the fact that our schools are not shining stars.

I have read the recall petition and I want to put [REDACTED] education first.

Mr. Benevento, it time for a change, RESIGN or be REMOVED by RECALL!

 Resign!!!!

Respectfully,
P4PC

RESIGN!

email: "robguynn [REDACTED] Rob Guynn" Monday, October 19, 2015 at 10:14:29 AM Pacific Daylight Time

Dear President Benevento and Trustees Badillo, Borgioli, Gerard, Porter-Jensen, Ruebusch and Woolf,

My name is **NOT JUST 20 PARENTS** and I have been following the news of the pending recall of MHUSD Board Trustee and President, Bob Benevento.

I support the recall and I intend on signing the recall petition and eventually voting for Trustee Benevento's removal.

The school district has enough things to deal with, besides a special election to have Benevento recalled.

Mr. Benevento, I urge you to resign as a MHUSD Trustee.

The parents of this community understand that you have served many years on committees and boards and organizations, but perhaps your time is up. Education has changed in this world and Morgan Hill needs to face the fact that our schools are not shining stars.

I have read the recall petition and I want to put [REDACTED] education first.

Mr. Benevento, it time for a change, do us all a favor, RESIGN!

Respectfully,
P4PC
