
Reduction of Board Trustees

Dear

Superintendent Betando, MHUSD Board President Beneveto and Board Trustees,

DO NOT

reduce the number of board trustees from 7 to 5!

Your

job is to handle the welfare of our school district. In doing so, you represent the citizens of our town. We elect the Board Trustees because we seek for them to act on our behalf, as we are the stakeholders and the parents of your "customers." Part of your job is to listen to your constituents. It does not matter if you agree with us, you must listen to us!

We

are not and cannot be part of the minutia of running a school district, so we look to you to ask questions for us. It does not matter if the questions are simple or complex, we need you to ask questions and seek answers for us. Asking a question is not a distraction nor is it pointing at the emperor when he stands naked. Asking questions is about transparency.

Let
me remind you, the superintendent works for the PEOPLE! You work for the
people. You MUST listen to the people.

I
understand that a new election “redistricting” will happen. I personally
disagree with it. I feel that it is the ploy of a sore loser whose designated
and targeted “community” did not support him in the recent election. Why we
must all suffer because of his hurt feeling is a distraction during a time when
as a greater community, we have more important things to attend to. However , DO NOT use this
pending lawsuit as
a reason to stack the deck in the favor of the current majority! DO NOT reduce
the number of board trustees from 7 to 5!

Dear Board Members,

As parents [REDACTED], we overwhelmingly do not support the grade level reconfiguration. Furthermore, we do not want to bus [REDACTED] to Martin Murphy a year earlier (at an added \$365 plus per year for bussing) to a school that is out of our town, in San Jose. Research documents that a K-8 environment improves student achievement and the other model 6, 7, 8 shows a major decline in academics when students experience changes such as middle school.

Another major agenda item of great concern is trying to change the ED code language that the superintendent and his supporters want the board to approve on August 4th that will eliminate the people's voices from speaking on any matters relative to the redistricting. We also do not support a self-evaluation process for the superintendent and any other administrator. That job should be left to other qualified individuals. Also, all administrator spending should get board approval prior to money's being issued. Principals need school site council approval. There should be a system of checks and balances and approval for all.

In addition to this, we strongly do not support the reduction of board trustees from seven to five. Board members are elected and we need more oversight at the district level to hold the superintendent accountable. We feel this is another tactic to remove elected trustees, giving more power to the remaining members and also attempting to once again eliminate the people's voice and sabotage our district.

Over the past eighteen years, we have seen the decline of Morgan Hill School District. [REDACTED] This Morgan Hill School District is in PI, test scores are down, and our schools have been dropping in ranks statewide. To the remaining board members, you were elected to improve our school district and our district has not improved. As a matter of fact, it has declined. Just remember that you are all elected officials who promised to improve our school and district and have failed miserably.

Remember: one mosquito in a closed room can make a difference.

See you Tuesday night,

Even though your words were well written, your actions speak louder than those word! The people spoke and four of your board members did not listen. At the meeting, a parent spoke passionately about her views and the translator did not even translate her words correctly. That was so disrespectful and rude toward the Latino community, that you said in your e-mail to me you supposedly value. Also, one of your administrators was sleeping during the meeting.

The board members and superintendent came into the meeting with their decisions already made and not one parent felt respected or heard. The word respect, is not valued at the board meetings I have attended!

Be on notice, you now have the community and parents attention...

The buzz around town is "recall."

Mr. Benevento □

My husband sent you a passionate and heartfelt email, which he composed at 2am after Tuesday's Board Meeting, and you have yet to have the courtesy to respond to him. You state repeatedly at Board Meetings and Community Events that you value communication and the input of parents/community members in our district, yet you only want your opinions heard. At every board meeting, you rudely cut off board members, parents, and community input. If a speaker is off topic or shares your view, you allow them to proceed past the allotted time. I am extremely disappointed with how you have presented yourself at Board Meetings when you initially seemed like such a "nice guy."

Dear

Superintendent Betando, MHUSD Board President Benevento and Vice President Woolf,
and Trustees Badillo, Borgioli, Gerard, Porter-Jensen and Ruebusch,

The parents of the MHUSD

students are not and cannot be part of the minutia of running a school district, so we look to the board to ask questions for us. We look to the trustees to represent our wishes when it comes to policies in our schools. We expect that elected officials will make decisions based on well researched facts. We want the members of the board to ask questions on our behalf and we want the trustees to listen to us.

It does not matter if

the questions are simple or complex, we need the MHUSD board members to ask questions and seek answers for us. Asking question is not a distraction nor is it pointing at the emperor when he stands naked. Asking questions is about transparency.

Transparency is something

that can easily be seen, clearly recognized and obvious. Transparency is easily acknowledged and detected. Transparency is open, frank and candid conversations.

The process of grade level configuration has not been transparent.

The MHUSD Board Meeting on Tuesday, August 4, 2015 was a farce and far from transparent. From my perspective as a parent and my perspective as a member seated in the audience, four of the Board Trustees had their minds made up long before they participated in the public hearing on the agenda item of G3—Grade Level Configuration. I was there, I listened and I watched. I am a primary source and I am fed up with the behavior of several of the Board Trustees.

During this public comment section, I witnessed Benevento and Woolf conferring. I saw Vice President Woolf excuse himself when Trustee Gerard was speaking, followed quickly by President Benevento leaving the dais. At that very moment, the hearing and session was over. No one was running the meeting. The moment that both the President and the Vice-President left the session, it ceased. The meeting should have ended right then, therefore the subsequent vote of G3 is NULL & VOID. Legally, it never happened and the item called Grade Level Configuration must once again be placed on the board agenda, to be discussed again.

If that was not enough, our Superintendent Betando wrote a note. He passed the note to President Benevento, who then passed the same note to Vice President Woolf. Woolf passed it back and then Benevento got up and gave the note to Porter-Jensen. What is on the note? In a public hearing anything said or done becomes part of the public record. During the meeting, the public saw the note being passed and requested that it be addressed publicly. The public was ignored. Where is the note? This is a clear sign of collusion and a sign that the "majority" had no intention of listening to any of the parents, none the facts or even consider Mr. Webb's request for time.

Illegal, immoral and certainly not
trust worthy. Betando, Benevento, Woolf and Porter-Jensen have entered into a furtive
collaboration in order to do something illegal or underhanded.

I
am making formal complaint. I am demanding answers. I am insisting that the
MHUSD School Board abides by the Brown Act.

CSMH's Charter Renewel

Dear

President Benevento, Vice President Woolf, and Trustees Ruebusch, Porter-Jensen, Badillo, Borgiolo and Gerard and Superintended Betando,

The

Charter School of Morgan Hill is a gem and it is one of the things in this district that makes MHUSD shine. For years this school has soared above other schools when it comes to academics, test scores, parent involvement and social-emotional welfare of its students.

Rather

than lauding the great achievements that are happening at CSMH, the superintendent and several of you appear to have deemed it the district's red-headed step child. I hear "edu-speak" about best practices; how about the district adopt some of the CSMH practices rather than disregarding it? How many families are enrolled at CSMH? How many families are on the wait list? Doesn't that mean something to you? This place is special and this place is wanted. Yet, CSMH is still ignored and bastardized by MHUSD administrators.

Old

Burnet school has officially been renamed, Old Central was officially renamed, but your district employees always reference CSMH by its old name, "Encinal." Clear

evidence that the district's disregard for this school is systemic.

What
are you so worried about?

Charter
schools are SO scary!

Charter
School Morgan Hill is terrifyingly successful. Maybe that is what scares you?

Maybe
parents having a choice other than "your" same old-same old or throw us a bone
options is what panics you?

The
facts are clear. CSMH is a thriving school. Support it, don't disregard it.

CSMH
is a success. Back it, don't neglect it.

Even
though [REDACTED] does not attend CSMH, I consider CSMH an asset to the
entire Morgan Hill community.

Do not forget that as MHUSD Trustees, it is your responsibility to ensure all of Morgan Hill's youth receive an exceptional education. If you vote to deny the CSMH's charter then you will be directly punish all of the hard-working students at CSMH. A denial vote will only serve to penalize students who have proven that a thriving alternative to MHUSD public schools actually works.

Respectfully,

Karen Fitch

VOTING RIGHTS of the People: Agenda Item G1 from the September 15, 2015 MHUSD School Board Meeting

email: "fitchfamusa [REDACTED] Karen Monday, September 14, 2015 at 10:59:31 AM Pacific Daylight Time Fitch"

To: email: "beneventob@mhusd.org Bob Benevento" , email: "rwoolf9523 [REDACTED] Ron Woolf" , email: "porterjensena@mhusd.org Amy Porter Jensen" , email: "badillor@mhusd.org Rick Badillo" , email: "gerardd@mhusd.org David Gerard" , email: "ruebuschd@mhusd.org ruebuschd@mhusd.org" , email: "borgiolig@mhusd.org Gino Borgioli"

Cc: email: "betandos@mhusd.org Steve Betando" , email: "sforstne [REDACTED] Scott Forstner" , email: "snoguchi [REDACTED] Sharon Noguchi"

Dear President Benevento, and Trustees Woolf, Borgioli, Porter Jensen, Reubush, Badillo and Gerard,

I am writing to you to urge you to VOTE NO on Agenda item G1 during the upcoming September 15th meeting.

Item G1 on the agenda deals with VOTING RIGHTS. G1 is the request to adopt a "Waiver of Election for Trustee Boundary Areas" thus eliminating the public's voice, vision and vote on the matter.

If the School Board votes yes, the voting rights on of the public on this matter are eliminated. A vote yes sets an abysmal precedent. The very people who placed you in your office as a trustee will no longer have any say. You are effectively deciding that the MHUSD Trustees and your agent, the Superintendent will have the ultimate authority to do as he wishes on the issue.

A yes vote is the exact opposite of a representative government.

The resolution states, "The District Superintendent/ designee are hereby and directed to take any other actions necessary to effectuate the purposes of this resolution." A YES means that you are giving one man all the power. A yes vote pushes the board to a totalitarian agency. A yes vote creates an operation in which a single person and the present majority can act without opposition. A yes vote means that the Board President and the Superintendent will rule over the schools, influencing every aspect of the economic, social, cultural and possibly political activities in our district.

I insist that you remember that as a trustee, you work for the PEOPLE and the Superintendent works for you. The parents, the voting public seeks transparency. Voting YES on G1 is an explicit contradiction of political transparency.

Respectfully,

Karen Fitch

Item G8 on this Evening's MHUSD Board Meeting Agenda

Dear President Benevento, and
Trustees Woolf, Borgioli, Porter-Jensen, Reubush, Badillo and Gerard,

Last week I found out some
spectacular news about [REDACTED] school. The principal has asked you to explore
turning Paradise Valley Elementary School into an Engineering Academy. I am
writing to you to urge you to VOTE YES on Agenda item G8, but only with a
caveat, turn Paradise valley into a K-8 focused academy.

Item G8 is the TURNING PARADISE
VALLEY INTO AN ENGINEERING ACADEMY. This may be one of the best opportunities
for our children to get a focused academy, but to fully fulfill the goal of an "academy,"
Paradise Valley School should be a K through 8 school. Being a focused academy
paired with a K-8 is the only viable and logical solution. Although the K-5 students
will certainly take advantage of this change, truly it is the 6th, 7th and 8th
grade students can fully explore, enjoy and benefit from this potential focused
academy.

The district
model for a successful ACADEMY is K-8.

The School Board and the District Office showed such foresight when creating Jackson Academy of Music and Math as a K-8. JAMM is successful as a K-8, their recent SBAC scores are higher than both the 7th and 8th graders at Britton and Murphy.

On August 4th, the San Martin/ Gwinn Academy was voted by you, the MHUSD School Board of Trustees, to go K-8—a strong endorsement from the BOARD that K-8 is the right model for MHUSD Academies.

I recently communicated with Mrs. Dagar, PV's principal. She told me that, "For the past two years, my staff and I have dedicated our instructional focus to set the foundation with students for technology and project based learning. Now I am ready to take it up to another level to explore a focus academy. Student interest and getting them to be college and career ready is at the core of it all!" I absolutely love that our school will be a Project Based Learning environment. I fully support Mrs. Dagar in this effort, but again, only if PV becomes a K-8 academy.

I urge you to vote yes on G8 but only if you follow your own model and make PV a K-8 Academy.

Respectfully,

Karen Fitch

Subject: NEW VISION

The following statement was found in a comment of an editorial that was written in the MHT's Friday. It is well written and in my opinion a powerful statement for change. It would be my hope that Mr. Robert Benevento would make the right decision, save the school district a half million dollars on this recall, and RESIGN his position on the board.

OPINIONS: The Bob and Steve show has become a distraction to the business of making positive changes in our classrooms. When all we see in the MHT is how the board is squabbling over lunch receipts and note passing, that is a pretty good sign that it is time for a change in leadership.

Our school's scores continue to "decline" or stay stagnant. The latest test results show Morgan Hill Students at 50% proficient. That means 50% are not! Glenn Webb was quoted as saying "We're ahead of the state in every grade level in both English and Math...". Yes we are... ahead of prison schools, continuation schools, and districts like Ravenswood, and Alum Rock. Of the 34 districts in Santa Clara County we are 24th. That is like saying we are 1st place ahead of everyone behind us (at 24th place). It's good to have goals, but we should set the bar higher? Steve claimed we are headed in the right direction when this past fall our graduate and "prepared for college" scores took a nosedive. He got a raise. What did your students get? Mismanaged Common Core implementations, rigged AP class schedules, and now musical chairs with 6th grade and the middle schools, with no plan in sight or communicated. But the board has become very good at communicating to meeting attendees they are subject to arrest.

The MHUSD School Board needs leadership. It needs VISION. It needs to stop threatening the community that it serves. It needs to read its own mission statement at every board meeting.

Leadership often means making the right decisions, even if they are tough decisions

Dear President Benevento and Trustees Badillo, Borgioli, Gerard, Porter-Jensen, Ruebusch and
Woolf,

My name is Monica Guynn and I have been following the news of the pending recall of MHUSD
Board Trustee and President, Bob Benevento.

I support the recall and I intend on signing the recall petition and eventually voting for Trustee
Benevento's removal.

The school district has enough things to deal with, besides a special election to have Benevento
recalled.

Mr. Benevento, I urge you to resign as a MHUSD Trustee.

The parents of this community understand that you have served many years on committees and
boards and organizations, but perhaps your time is up. Education has changed in this world and
Morgan Hill needs to face the fact that our schools are not shining stars.

I have read the recall petition and I want [REDACTED] education first.

Mr. Benevento, it time for a change.

Respectfully,

Monica Guynn

Comment 4:

This sounds like the very bitter and petty attempt by a failed public official to defend himself against an avalanche of very justified parent critiques ranging from Latinos who didn't want to arbitrarily reduce the number of trustees from seven down to five (defeated) to sending 6th graders to middle schools ten miles away from home (still being opposed by the vast majority of parents) and now to Charter School Renewal where Benevento has been silent as a mouse as his friend Steve Betando tries to place unreasonable conditions on the school that might threaten to close it as early as August. What is behind Benevento? Why does he behave this way, often interrupting fellow trustees or passing around notes that Betando wrote and trying to silence parents from expressing their unhappiness with the decisions of Betando and his board majority by threatening them with arrest? People are buzzing about these issues about Betando and Benevento and it is not just a

small group of 20 parents with an agenda as he claims. Hopefully he will resign soon and we can get back to focus on improving our schools which need a lot of help. Some people are even thinking of moving away to other cities because of what Betando and Benevento are doing. This is not right for Morgan Hill and people can't wait to sign those recall petitions. When will they be available to sign and where do we get them?

In his role as Morgan Hill Unified School District board president, Bob Benevento has created a **culture of hostility** toward parents and among the board members. His disregard for parent input has isolated him from the people he represents. Under his guidance, the board has become a totalitarian vacuum that condescendingly rationalizes they know best. **Benevento does not know what's best for students.**

As the president, Benevento holds the position as leader. But rather than leading, he's responsible for the **dysfunction and disarray** that is the board of trustees. Under his direction, the board has fallen into a **systemic majority versus minority**. The minority asks questions, seeks public input, meanwhile, Benevento and his **majority collude, criticize and create an aura of retaliation** toward parents that inquire, speak up and question them. Benevento arbitrarily decides to change board policy on his whim; **reducing speaker times for some, yet allowing other speakers go past their allocated times.**

Benevento now **invites a Morgan Hill police officer to the board meetings**. He stated: "If you choose to disrupt the meeting, you will be asked to leave the meeting, and if you are **forced to leave** the meeting you could be subject to misdemeanor...or fine." **This is a threat and intimidation directed at the parents** who called the actions of Benevento into question at the Aug. 4 meeting. During "notegate," a note was generated, passed between the superintendent and several trustees, five of them learning the contents. Parents requested the note become part of the public record. They were ignored. The president is there to run the meeting, to follow parliamentary procedure, and assure there are no Brown Act violations; he's not there to threaten the audience with arrest.

Part of the board's mission is "**Parents/guardians shall have the opportunity to work with schools in a mutually supportive and respectful partnership and to help their children succeed in school.**" (Education Code 51100) Trustees need to listen to the speakers; speakers have a vested interest. Benevento's own words indicate how he truly feels about parents attending meetings: "The public is much broader than just the **20 or so people** attending the school board meetings with their own agenda." Those 20 people are parents. They do have an agenda, their agenda is their children! Morgan Hill residents are deeply disappointed in the actions of the board of trustees. The frustrations have led them to form a grassroots campaign to **recall Benevento** from his elected position of board trustee/president. As president, Benevento should be the beacon of appropriate behavior and public service. He's not. Parents have **lost confidence** in his ability to lead and act as a public servant. Voters are unsure that Benevento acts on our behalf or represents our best interest. **This is our vote of no confidence in MHUSD School Board Trustee/President Bob Benevento.** It is time for change, Bob should **do what's best.... RESIGN!**

Amy, Thank you for reaching out to me. As you can tell from my message, I am a strong proponent of PV being a K-8 Academy. The way for "us" to work together is for you to be open to parent input, advocate on your end, as a board member, that Paradise Valley go K-8, and eventually vote in favor of the PV K-8 revamp.

Dear President Benevento, and
Trustees Woolf, Borgioli, Porter Jensen, Reubush, Badillo and Gerard,

Last week I found out some spectacular news about [REDACTED] school. The principal has asked you to explore turning Paradise Valley Elementary School into an Engineering Academy. I am writing to you to urge you to VOTE YES on Agenda item G8, but only with a caveat, turn Paradise valley into a K-8 focused academy.

Item G8 is the TURNING PARADISE VALLEY INTO AN ENGINEERING ACADEMY. This may be one of the best opportunities for our children to get a focused academy, but to fully fulfill the goal of an "academy," Paradise Valley School should be a K through 8 school. Being a focused academy paired with a K-8 is the only viable and logical solution. Although the K-5 students will certainly take advantage of this change, truly it is the 6th, 7th and 8th grade students can fully explore, enjoy and benefit from this potential focused academy.

The district model for a successful ACADEMY is K-8.

The School Board and the District Office showed such foresight when creating Jackson Academy of Music and Math as a K-8. JAMM is successful as a K-8, their recent SBAC scores are higher than both the 7th and 8th graders at Britton and Murphy.

On August 4th, the San Martin/ Gwinn Academy was voted by you, the MHUSD School Board of Trustees, to go K-8—a strong endorsement from the BOARD that K-8 is the right model for MHUSD Academies.

I recently communicated with Mrs. Dagar, PV's principal. She told me that, "For the past two years, my staff and I have dedicated our instructional focus to set the foundation with students for technology and project based learning. Now I am ready to take it up to another level to explore a focus academy. Student interest and getting them to be college and career ready is at the core of it all!" I absolutely love that our school will be a Project Based Learning environment. I fully support Mrs. Dagar in this effort, but again, only if PV becomes a K-8 academy.

I urge you to vote yes on G8 but only if your follow your own model and make PV a K-8 Academy.

Respectfully,

Karen Fitch

People who say it is costly to have the recall election of Benevento better check their math. There are many parents and I would say at least 100 of them, who have said they will take their kids out of public schools if the 6th graders are forced to go the middle schools. I heard that each child brings \$8000 per year to the district, so 100 kids leaving = \$ 800,000 in lost tax revenue and that is \$800,000 per year so getting rid of him is worth at least \$300,000 in the first year and at least \$800,000 in year two. Right? So where do I sign and I will distribute the petitions to my neighbors Let's remove him so he can do something that won't hurt the kids.

I believe that Benevento just pulled one of the most pathetic moves of all time. Because he is clearly losing the online poll asking RESIDENTS in our community if they support the recall, he has launched a [Change.org](#) petition soliciting votes from people around the world. Sorry Bob, but those people that don't live here won't be able to save you from this recall effort. I want him gone, but I am actually embarrassed for him having to resort to this type of lame move.

Like father like son...to artificially inflate the numbers in the current MH Times online poll in favor of his father, Daniel Benevento sent out a message to outsiders inviting them to vote no in favor of his father, the disfavored Benevento, as noted by morganhill's post. His goal is to dupe the community with the false belief that his father has more supporters than opponents in our community. Here is what he wrote

"Due to disagreement over a decision to relocate 6th graders to the middle schools from the elementary schools ... , a small group of parents is trying to remove this man as president. To support this man, Bob Benevento after he has sunk this low is really SAD!

So in the last 30 hours since the Teachers Union article was published online, Benevento's son, Daniel, who does not live in Morgan Hill, has posted a [Change.org](#) post with a link to this newspaper's online poll, resulting in a change of 81% in favor of recall versus 19% against recall to a new figure that is almost evenly split between supporters and opponents. Karen Fitch's Facebook page "Bye Bye Bob--Recall Benevento" has been visited by someone named Steven Tankersley who lives in Folsom and who is a friend of Daniel Benevento. Encouraged by Benevento, Tankersley has posted a vile, sexist ad on Fitch's Facebook that says, "I'm not always a whiny b**ch, but when I am it's usually over nothing of importance." The parents are saying that Benevento is a bully-and here is more evidence that Bob Benevento is not just a bully but he is now having his son and his son's friends try to bully and intimidate the award-winning [REDACTED] Karen Fitch. Please support Karen and help her to remove this really shameful public official from his office as School Board President.

Trampoline: Thank you, Morgan Hill Times, for removing the online poll on the recall. As numerous readers pointed out, Benevento supporters tried to manipulate it by launching a change.org petition that linked directly into the local MH Times poll so that people from anywhere in the world would be voting NO on the recall. You showed good journalistic practices in the face of the kind of political dirty tricks that have outraged so many parents and have led to the unusual step of a recall. Please watch for further tricks and next I predict that his supporters will send goons to harass pro recall signature gatherers as well as try to intimidate those who do sign. Such a sad situation, but such a good reason to send Mr. Benevento away from a job where his impact is so unhealthy to our community. Sign the recall petition, fellow citizens!

Subject: California Law Regarding Safe Storage of Firearms

The purpose of this memorandum is to inform/remind parents and legal guardians of all students in the Morgan Hill Unified School District of their responsibilities for keeping guns out of the hands of children as required by California law. There have been many news reports of children bringing guns to school. Many times the child has obtained the weapon from his/her home. These incidents can be easily prevented by storing firearms in a safe and secure manner including keeping them locked up when not in use and storing them separately from ammunition.

To help everyone understand this responsibility, this memo spells out California law regarding the storage of firearms. Please take some time to review this memo and evaluate your own personal situation to assure that you are in compliance with California law.

- California makes someone criminally liable for keeping a loaded firearm where he or she knows or reasonably should know a child (a person under age 18) is likely to gain access if the child actually gains access to the firearm and either: (1) carries it to a public place, including to any preschool or school grades K-12 or to any school-sponsored event, activity, or performance, or (2) brandishes it, or (3) if the firearm injures someone. The penalty is greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.¹
- As of 2014, California makes someone criminally liable if they negligently store or leave any loaded firearm on their premises where a child is likely to gain access to it – regardless of whether or not the child brings the gun to a public space.²
- A parent or guardian can also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward. These damages can be up to \$30,000 per victim, and \$60,000 total.³
- ***Gun owners can avoid liability under these laws by keeping their firearm in a locked container or secured with a locking device when not in use.***⁴

Thank you for helping to keep our children safe at school. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device when not in use.

Sincerely,

A handwritten signature in cursive script that reads "Glen R. Webb".

Poor Leadership Begins at the Top: It's Time for Positive Change

I find myself disgusted, disappointed, and in desperate need of a solution. Here is my perspective on changes that have been occurring. Years ago [REDACTED] walked onto [REDACTED] campus and were greeted by students in vests, opening our car doors, wearing smiles, and saying, "Good Morning!" Teachers smiled and warmly greeted our children. Now things are so different. To fix one of its underachieving schools, the district pulled our principal and several teachers were moved around to different school sites. They made that one underachieving school a music and math academy and on paper, the state can see that our leadership tried. Not all teachers appear happy with this decision. When we now walk our students on campus, they are no longer greeted with warmth and happy smiles. Our campus was once clean, cheerful, and warm. Now it is dead, unloved, and dismal. Last year, two parents came on campus and repainted the numbers on our

blacktops because students and parents could not see where to line up their children and because the district refused to restripe the blacktop.

At each board meeting, I hear how wonderful our schools are and how awesome our test scores appear and I wonder where they are getting their information. Several of our Morgan Hill schools have been in PI (Program Improvement) for years. So, once again, our great leadership tries to make our district look good on paper. In the same board decision, they make one elementary school a K-8 and in the same breath say they believe that 6th grade reconfiguration will be wonderful for our students. There is no plan in place and they have yet to convince me that [REDACTED] will benefit from getting on a bus and travelling to South San Jose, at my out of pocket expense of at least \$385. I am supposed to believe that [REDACTED] will have a more enriched experience and be more involved. I am supposed to believe that [REDACTED] will be safe and well cared for. Well, I don't. [REDACTED] were not more involved and did not benefit from all of the enriched experiences. They

travelled on the bus and often times took more than an hour to get home. On a few occasions they were left behind, unattended, and had to wait for the bus to come back or wait for me to leave work early and come get them. It appears that our leadership is trying to let the community believe that all is well and our schools are amazing. I feel like they are trying to look good on paper and present only the positive facts at board meetings without discussions about equity and improvement for all schools. I sit and listen to how schools get outside lab stations, chrome books for each individual student, interactive white boards and document cameras in each school, new signage, and so much more. What I see at El Toro is a graying unwelcoming dismal sign not welcoming our families to the school. I see a dead garden, dead grass, and an iron gate. Upon entering the classrooms during back to school night, I see that not all the classrooms have interactive white boards and am told that classrooms share chrome book carts. We now have a principal who is trying desperately to motivate our families, students, and teachers, but continues to hit roadblocks from the administration higher up. Our home and school club desperately tries

to raise money to improve our school and last year teachers finally received document cameras. The school site council is approving teacher professional development and programs that can enhance our student learning. Yet even with these amazing individuals, where is the equity among our schools? Again, at the board meetings we hear how money from the different measures and the state has improved our schools so much. I observe parents walking out of these meetings with looks of disgust. El Toro finally got their entire blacktop restriped and Martin Murphy got new fences. These are the schools I want to send [REDACTED] to? No, I don't. Each day more and more families are pulling their students from our school. There are less and less familiar faces. Several other parents are talking about doing the same. This is quality education at its best? This is treating our students with dignity and respect? This is why parents are banning together to recall Benevento and change our leadership at the top. To add insult to injury, the board approved a Public Relations position. This individual must have a Bachelor's Degree and will be paid \$100,000 per year. Our teachers must have a Bachelor's Degree, teaching credential, and extra units to clear their credential (some have a Master's Degree) and these dedicated amazing teachers do not make anywhere near that amount. What an insult to them. This position is to deal with the bad publicity our district is receiving and the disappointed community members such as Parents4PositiveChange who cannot take this downward spiral. Change must occur so that we have a chance to bring back dignity, respect, and equity to our schools and improve the quality of the education all our children deserve.

Subject: California Law Regarding Safe Storage of Firearms

The purpose of this memorandum is to inform/remind parents and legal guardians of all students in the Morgan Hill Unified School District of their responsibilities for keeping guns out of the hands of children as required by California law. There have been many news reports of children bringing guns to school. Many times the child has obtained the weapon from his/her home. These incidents can be easily prevented by storing firearms in a safe and secure manner including keeping them locked up when not in use and storing them separately from ammunition.

To help everyone understand this responsibility, this memo spells out California law regarding the storage of firearms. Please take some time to review this memo and evaluate your own personal situation to assure that you are in compliance with California law.

- California makes someone criminally liable for keeping a loaded firearm where he or she knows or reasonably should know a child (a person under age 18) is likely to gain access if the child actually gains access to the firearm and either: (1) carries it to a public place, including to any preschool or school grades K-12 or to any school-sponsored event, activity, or performance, or (2) brandishes it, or (3) if the firearm injures someone. The penalty is greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.¹
- As of 2014, California makes someone criminally liable if they negligently store or leave any loaded firearm on their premises where a child is likely to gain access to it – regardless of whether or not the child brings the gun to a public space.²
- A parent or guardian can also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward. These damages can be up to \$30,000 per victim, and \$60,000 total.³
- **Gun owners can avoid liability under these laws by keeping their firearm in a locked container or secured with a locking device when not in use.⁴**

Thank you for helping to keep our children safe at school. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device when not in use.

Sincerely,

Glen Webb, Director of Curriculum, Instruction, and Assessment

This comment was posted in response to a recent recall article in the MH times.

Trampoline: Please rewrite this article. Your lead paragraph says that two of the organizers of the recall have not indicated whether they will run, but Armando Benavides clearly states that he WONT RUN. Also this article gets the financial implications wrong—while it states that it will cost an estimated \$500,000 to hold this election, the 100 plus parents who will remove their kids from MHUSD schools if Benevento and his boss Betando stay represent a LOSS of \$8,000 PER STUDENT of tax revenues to MHUSD from the state, or \$800,000 per year—and that is if they have just one kid per family. Stop scaring people with this cost nonsense—let's look at the true picture. Benevento and his board majority will cost us \$800,000 per year, minimum. Let's have some balanced views here. Once that recall petition is out for signature, I predict it will be hotter than an Apple iPhone 6S. People in Morgan Hill are not stupid. They see how the status quo "educators" in synch with the "teachers union" are giving our kids a substandard education. New residents see the results in test scores and in the unprofessional behavior of the Superintendent Steve Betando and his team of four trustees, Bob Benevento, Amy Porter Jensen, Ron Woolf and Donna Ruebusch who are positively delighted with the mediocre performance of MHUSD schools. Of course the "teachers union president" blames parents and the Board minority for the problems, but just look at the MHUSD videos on YouTube from August 4th and you will see how Betando and Benevento behave with note passing and generally unprofessional behavior all the time. But parents and community members are waking up, so Bye bye Benevento, soon.

.....

hello MH95037: MY AGENDA IS MY KID!

I am still unclear as to the agenda of the superintendent.

He wants to hire a mouthpiece to do his job at the cost of another \$100,000.00.

The 6th grade configuration cheerleader, Webb, asks for money to cover the cost of sending 5th grade students to science camp. Is his agenda to appease questioning parents with magic money?

You have Amy Porter Jensen making wisecracks about how much some schools fundraise versus others. What is her agenda?

Donna Ruebusch's agenda is to leave School Board Meetings early?

Benevento's agenda...rubber stamp whatever Betando wants.

I believe the person who commented was trying to get the article corrected because it is not accurate.

I don't believe that 100 students will leave if the schools don't improve, I believe it will be a lot more than that. I know my 2 will be gone, and it is not because I am pulling them if the parents fighting for the kids lose their recall movement, I am pulling them because our schools are not doing well and yet the Superintendent and his four sheep on the school board are not willing to admit there is a problem that needs to be addressed. If you are happy with failing you should definitely support the current board and superintendent. They are very good at pretending the schools are great, and apparently gordonj588 is drinking the Cool Aid.

Another community member comment....

The MHUSD is spiraling down hill. Our leaders are making poor decisions with a 4 to 3 board and a district leader who allows memos to be sent out in Friday folders telling parents to secure their guns because if their kids come to school with a gun and fire it, the parents will be fined 30,000 dollars. Those of you who support this poor leadership obviously don't go to board meetings and don't have children that attend our schools. Don't support either side unless you know all the issues and can support your side with facts and not your hateful opinions.

Why are so many community members disappointed? Maybe you should listen to them.....

The MHUSD should be under investigation for corruption.

At each and every board meeting Superintendent Betando's majority always votes 4-3 in favor of the major issues facing the school district, thus the MHUSD is now spinning out of control. At the last board meeting the parents in the audience witnessed Ruebusch following Porter Jensen into the lady's room in an attempt to demean Jensen for voting to table the Superintendent past expenditures. Then we witnessed Ruebusch walk out of the board meeting without the meeting being adjourned...very unethical and extremely unprofessional. I will be also joining the many parents that are pulling their children out of this corrupt district.

General Conundrum and Gordon --so maybe you didn't read the article. Betando got reimbursed over \$12,000 and perhaps over \$23,000 in our tax money, without going through the approval process that is stated in black and white in his contract. For the trustees to ignore this would make them complicit in what we would call in places outside the Morgan Hill Bubble "unjust enrichment". That's what was in the agenda. Betando already has gotten this money, don't you get it? What would happen to your boss if she did the same at work?? **She'd be fired** of course! And that's what these trustees should do if Betando doesn't come forward with an immediate apology and the repayment of tax money that he took without authorization. This is literally taking school services away from our children. What if we let these things pass without penalty? Why would we give Betando special treatment?Where's the outrage Mr. and Ms. Taxpayers? Pretty cut and dried!

Dear President Benevento and Trustees Badillo, Borgioli, Gerard, Porter-Jensen, Ruebusch and Woolf,

My name is P4PC and I have been following the news of the pending recall of MHUSD Board Trustee and President, Bob Benevento.

I support the recall and I intend on signing the recall petition and eventually voting for Trustee Benevento's removal.

The school district has enough things to deal with, besides a special election to have Benevento recalled.

Mr. Benevento, I urge you to resign as a MHUSD Trustee.

The parents of this community understand that you have served many years on committees and boards and organizations, but perhaps your time is up. Education has changed in this world and Morgan Hill needs to face the fact that our schools are not shining stars.

I have read the recall petition and I want to put [REDACTED] education first.

Mr. Benevento, it time for a change. Resign!

Respectfully,
P4PC

Dear President Benevento and Trustees Badillo, Borgioli, Gerard, PorterJensen, Ruebusch and Woolf,

My name is NOT JUST 20 PARENTS and I have been following the news of the pending recall of MHUSD Board Trustee and President, Bob Benevento.

I support the recall and I intend on signing the recall petition and eventually voting for Trustee Benevento's removal.

The school district has enough things to deal with, besides a special election to have Benevento recalled.

Mr. Benevento, I urge you to resign as a MHUSD Trustee.

The parents of this community understand that you have served many years on committees and boards and organizations, but perhaps your time is up. Education has changed in this world and Morgan Hill needs to face the fact that our schools are not shining stars.

I have read the recall petition and I want to put [REDACTED] education first.

Mr. Benevento, it time for a change, do us all a favor, RESIGN!

Respectfully,
P4PC

VERY IMPORTANT...MUST READ...VERY IMPORTANT...MUST READ...

We the people are in the process of filing a complaint with the Justice Department of the State of California for Superintendent Steve Betando's past expenses to be reviewed. As tax payers we have the right to have the expenses investigated and what we are doing is legal. What Mr. Betando has done is highly illegal.

Please vote **no** on Superintendent Steve Betando's past expenses. I must remind you that he is **under contract** and that said contract says with prior approval. A contract is a binding document, a yes vote will **breach his contract**. He must be held accountable for money he has stolen from tax-payers.

Mrs. Porter Jensen,

We are not and we shall never be "friends" via FaceBook. Do not contact me through that channel. If you want to contact me, do it through your MHUSD email. I told you, after you approached me, at the culmination of a MHUSD Board of Trustees Meeting that I do not trust you. I see no reason for us to communicate at all, unless it is about the business of the MHUSD.

Respectfully,

The Status of Amy Porter-Jensen as a MHUSD Trustee

Dear Superintendent Betando, President Benevento, Vice President Woolf,
Trustees Badillo, Borgioli, Gerard, Porter-Jensen and Donna Foster Ruebusch,

As you have come to know, there is a growing population of parents and voters that have become disillusioned with how Benevento is leading the MHUSD Board, with how the "Majority Cronies" rubberstamp the whims of the Superintendent and how unilateral decisions are made that affect the future of our schools as well as the immediate lives of our children without true transparency and parent input.

A second group of parents are mounting a "Recall APJ" movement, with Amy Porter Jensen as the focus of their recall efforts.

They came to me, as I have gained some expertise on School Board Trustee Recall Elections in the last few weeks, and I questioned them about Mrs. Porter-Jensen's resignation on October 20, 2015.

They were unaware that Mrs.
Porter-Jensen's resigned at some point on October 20, 2015.

Most of the public is unaware that
one of their MHUSD School Board Trustees vacated her elected position.

Please confirm that Mrs.
Porter-Jensen resigned as a MHUSD Trustee on October 20, 2015.

Respectfully,

Karen Fitch
